# POP AI 20th Anniversary Fall Conference T-Shirt Design Contest

*Do you doodle in court? Is your desk calendar covered in original drawings? Are you really an aspiring artist just posing as a probation officer? If you've answered yes to any of these questions, we have a great idea for you. Design a special t-shirt for our 20th anniversary POPAI conference! The winning designer will receive a **free registration** for the 2017 POPAI Fall Conference.*

*POP AI is seeking a creative design to be used on a t-shirt to commemorate our 20th Anniversary Fall Conference and we would like for one of members to design it. We will be accepting submissions until August 5th, with the winning design to be printed on t-shirts which will be distributed to all conference attendees.*
