Requires the Marion County judicial selection committee (judicial selection committee) to nominate a minimum of three candidates to the governor when a judicial vacancy exists and allows the governor to appoint any of the nominated candidates when filling more than one vacancy. Requires a two-thirds vote of the sitting judges who will hold office on January 1 of the next year to select members of the executive committee. Requires the judicial selection committee to appoint the chief judge. Increases the term of an executive committee member of the Marion County judiciary from two years to three years. Specifies which duties are the responsibility of the full court and which are to be determined by a trial judge. Describes the duties and authority of the executive committee. Provides that any action taken by the executive committee may only be overruled by a majority vote of 85% of the full court sitting at the time the vote is taken. Provides that a majority vote of 85% of the full court, serving at the time the vote is taken, is required to remove a member of the executive committee. Provides that the judge of the circuit court has exclusive authority to appoint commissioners or magistrates allocated to the circuit court. Provides that the executive committee has exclusive authority to appoint commissioners or magistrates allocated to the superior court, and the commissioners and magistrates appointed serve at the pleasure of the executive committee. **PENSION MATTERS (ROGERS L)** Modifies the definition of "average of the annual compensation" for a member of the public employees' retirement fund (PERF) who retires after December 31, 2027. Specifies that compensation received in contemplation of retirement is excluded from the average of the annual compensation for particular members of PERF and the Indiana state teachers' retirement fund (TRF). Repeals a provision requiring the board of trustees of the Indiana public retirement system (board) to maintain separate accounts for each unit of local government. Provides that amounts forfeited under the public employees defined contribution plan must be used as determined by the board. (Current law requires these amounts to be used to reduce the unfunded accrued liability of PERF.) Specifies a process by which a fully vested member of the public employees' defined contribution plan or the teachers' defined contribution plan may irrevocably elect to participate in PERF or TRF, as applicable. Modifies the information that must be included in a delinquency notice to a delinquent political subdivision. Modifies the requirements that apply to certain PERF members purchasing and claiming years of service credit in PERF. Allows, subject to particular requirements, certain TRF members to purchase and claim years of service credit in TRF. Allows a PERF or TRF member's employer to pay all or part of the member's contributions required for purchase of service credit. Allows a wage assignment to be made for the purpose of paying voluntary contributions of an employee of a political subdivision to a tax deferred retirement account. Provides that a municipality, a unit, an airport authority, a school corporation, or a charter school may require certain members of PERF to continue as members of that fund instead of the 1977 police officers' and firefighters' pension and disability fund. Makes conforming amendments. (The introduced version of this bill was prepared by the interim study committee on pension management oversight.)

**IMMIGRATION MATTERS (BROWN L)** Provides that if a law enforcement officer, governmental body, or postsecondary educational institution is made a party to a civil suit and the attorney general determines that the suit has arisen out of certain immigration matters, the attorney general may defend the law enforcement officer, the governmental body, or the postsecondary educational institution if representation is requested and the actions subject to the suit do not violate federal or state law. Provides that the prohibition on governmental bodies or postsecondary educational institutions limiting or restricting the enforcement of federal immigration law applies regardless of whether the enforcement related activity is carried out by a federal, state, or local law enforcement agency. Removes the mens rea standard in the statute concerning governmental bodies or postsecondary institutions violating the citizenship and immigration status information and enforcement of federal laws chapter. Provides that if the attorney general determines that probable cause exists that a governmental entity has not complied with certain requests, the attorney general may bring a court action to: (1) enjoin an act or practice constituting a violation; (2) impose a civil penalty for noncompliance; and (3) and obtain other such relief as is necessary. Provides that before bringing an action against a county jail for certain violations, the attorney general shall consult with the department of correction concerning the most recent inspection report and provide the county jail with notice of the attorney general's probable cause determination. Provides that a governmental body that has the custody of an individual who is the subject of an immigration detainer request shall: (1) provide the judge authorized to grant or deny the individual's release on bail notice that the individual is subject to an immigration detainer request; (2) record in the individual's case file that the individual is subject to an immigration detainer request; (3) comply with the immigration detainer request; and (4) inform the individual that the individual is being held pursuant to an immigration detainer request. Provides immunity to a governmental body or an employee of a governmental body for any action taken concerning an immigration detainer request as long as the action does not violate federal or civil law. Requires a judge who receives notice that an individual is subject to an immigration detainer request to ensure that the notice of the immigration detainer request is recorded in the court's record. Provides that the department of correction shall, in consultation with the attorney general, identify options for training concerning minimum standards for county jails. Provides that compliance with certain standards and the results of an inspection do not preclude and are not a defense to the attorney general bringing an action under IC 5-2-18.2. Provides that the department shall submit to the state budget committee status update reports. Requires the office of the secretary to submit a report to the legislative council concerning certain immigration matters. Provides that each hospital shall, not more than one hundred twenty (120) days after the end of each calendar quarter, file with the state department beginning January 1, 2027, in cases where Medicaid is the patient's payor, the form of identification, if any, used by the patient when the patient was admitted. Specifies that it is unlawful for an employer to knowingly or intentionally recruit, hire, or continue to employ an unauthorized alien in Indiana. Allows the attorney general to bring an enforcement action against an employer if the attorney general determines that probable cause exists that the employer has violated certain recruitment and hiring restrictions concerning an unauthorized alien. Prohibits an employer from discharging or discriminating against an employee because the employee communicated or cooperated with the attorney general. Provides that indecent nuisance means a place in which human trafficking is conducted and is not limited to a public place. Provides that a governmental entity that employs a prosecuting official is entitled to investigative costs, court costs, and reasonable attorney's fees incurred in an indecent nuisance action if the existence of an indecent nuisance is admitted or established in the action.
