PENSION MATTERS (ROGERS L) Modifies the definition of "average of the annual compensation" for a member of the public employees' retirement fund (PERF) who retires after December 31, 2027. Specifies that compensation received in contemplation of retirement is excluded from the average of the annual compensation for particular members of PERF and the Indiana state teachers' retirement fund (TRF). Repeals a provision requiring the board of trustees of the Indiana public retirement system (board) to maintain separate accounts for each unit of local government. Provides that amounts forfeited under the public employees defined contribution plan must be used as determined by the board. (Current law requires these amounts to be used to reduce the unfunded accrued liability of PERF.) Specifies a process by which a fully vested member of the public employees' defined contribution plan or the teachers' defined contribution plan may irrevocably elect to participate in PERF or TRF, as applicable. Modifies the information that must be included in a delinquency notice to a delinquent political subdivision. Modifies the requirements that apply to certain PERF members purchasing and claiming years of service credit in PERF. Allows, subject to particular requirements, certain TRF members to purchase and claim years of service credit in TRF. Allows a PERF or TRF member's employer to pay all or part of the member's contributions required for purchase of service credit. Allows an employee of a political subdivision to make a wage assignment for the purpose of paying voluntary contributions to a tax deferred retirement account. Provides that a municipality, a unit, an airport authority, a school corporation, or a charter school may require certain members of PERF to continue as members of that fund instead of the 1977 police officers' and firefighters' pension and disability fund. Makes conforming amendments. (The introduced version of this bill was prepared by the interim study committee on pension management oversight.)

Provides that the prohibition on governmental bodies or postsecondary educational institutions limiting or restricting the enforcement of federal immigration law applies regardless of whether the enforcement is carried out by a federal, state, or local law enforcement agency. Provides that before bringing an action against a county jail for certain violations, the attorney general shall consult with the department of correction concerning the most recent inspection report and provide the county jail with notice of the attorney general's probable cause determination. Requires the office of the secretary to submit a report to the legislative council concerning certain immigration matters. Provides that each hospital shall, not more than one hundred twenty (120) days after the end of each calendar quarter, file with the state department beginning January 1, 2027, in cases where Medicaid is the patient's payor, the form of identification, if any, used by the patient when the patient was admitted.
